

COSMETICS VENDING MACHINE

VST-06C

Cosmetic brands and independent stores can expand their sales channels with the help of Vendstop Cosmetics Vending machines. These machines are versatile and can be strategically placed in various high-traffic areas, including malls, corporate parks, airports, rail/metro stations, and more. This provides customers with a convenient and accessible way to purchase cosmetics on-the-go, while also offering brands and stores a new way to reach their target audience.
