

PHARMACY/MEDICINES VENDING MACHINE

VST-01M

The Vendstop Pharmacy/Medicines Vending machine offers a convenient and accessible solution for purchasing over-the-counter medicines and other essential items. While it can certainly benefit pharmacies as an alternative 24/7 sales channel, it is also well-suited for placement in a variety of settings, including hospitals, medical colleges, and universities.

Customers can easily purchase the items they need at any time, making it a highly practical and useful solution.
